Class Action

4. The named plaintiffs bring this suit as a class action on behalf of themselves and as representatives of a class of others, pursuant to Rules 23(a), 23 (b)(1) (A) and 23(b) (2) of the Federal Rules of Civil Procedure. The members of the class represented by the named plaintiffs consist of all individuals, all not-for-profit corporations and all unincorporated associations who, with respect to their lawful activities, in or around Chicago, Illinois, have been since January 1, 1966, and are being subjected to the defendants' unlawful governmental intrusions.

5. This suit is appropriately maintained as a class

10-10. Plaintiff RALPH H. METCALFE is a U.S. Congressman representing the First District of Illinois; plaintiffs WILLIAM COUSINS, JR., and DICK SIMPSON are aldermen of the City of Chicago; plaintiff LEON DESPRES served for 20 years as an alderman of the City of Chicago; plaintiff AUGUSTUS SAVAGE is a newspaper editor and has run for the offices of alderman of the City of Chicago and U.S. Congressman; plaintiff [] is a journalist and political campaign manager; and plaintiff RON DORFMAN is a journalist. Defendants have engaged in unlawful governmental intrusions with respect to each of these named plaintiffs with respect to the above activities and others, including the gathering and disseminating of unlawful intelligence data. Among that information is the following:

b6
b7C

- a. That plaintiff METCALFE convened, attended or spoke at meetings of certain organizations, including gatherings concerning police reform issues;
- b. That plaintiffs COUSINS and YOUNG intended to run in 1968 for the office of delegate to the Democratic National Convention;
- c. That plaintiff COUSINS attended meetings of certain organizations;
- d. That plaintiff SIMPSON participated in activities

10-13. Prior to and since 1969, plaintiff [] has been the [] Operation Breadbasket. Defendant [] engaged in unlawful governmental intrusions during 1969 with respect to plaintiff [] lawful activities in that position b6 and others through gathering and disseminating unlawful intelli- b7C-
gence data concerning plaintiff [] and Operation Breadbasket. Such data was disseminated to the FBI.

10-14. In 1969 or 1970, while plaintiff [] was [] and a [] for what is commonly known as the "Chicago 7" legal defense office, defendant [] paid an informant to spy on that office.

10-15. Plaintiffs [] and METCALFE and others have been the subjects of unlawful governmental intrusions by agents, employees or contractors of the FBI, including gathering unlawful intelligence data concerning them by informers or electronic surveillance. Much of this unlawful intelligence data was acquired through use of one of the major programs by which the unlawful governmental intrusions by the FBI have been carried out, designated "Cointelpro." The purposes of Cointelpro, as stated by the late director of the FBI, J. Edgar Hoover, included to "expose, disrupt, misdirect, discredit or otherwise neutralize the activities" of certain groups considered to have undesirable political views.

CIVIL ACTION NO. 75 C 3295

detached & handled separately
In the complaint in captioned civil action, copy attached, plaintiffs allege they have been and are being deprived of rights, privileges and immunities guaranteed to them by the Constitution and Federal statutes. Specifically, plaintiffs state they have been and are being subjected to unlawful entries, electronic surveillance, infiltrators, the gathering and disseminating of information, and intimidation.

Plaintiffs are 10 organizations and 17 individuals including U. S. Congressman Ralph H. Metcalf (Illinois). Defendants include Director Kelley, SAC Richard G. Held, Chicago, and former FBI Official William C. Sullivan. Plaintiffs seek declaratory and injunctive relief as well as money damages.

By memorandum dated 11/4/75, the Assistant Attorney General, Criminal Division, requested that the Bureau submit a litigation report regarding this civil action. Noting that the only identifying data available regarding the plaintiffs (both organizational and individual) is that contained in the *62-117455-3* complaint, the Department requested that we advise whether the FBI, or any one on behalf of the FBI, engaged in the following relevant to the plaintiffs:

A. Authorized, conducted, or procured electronic surveillance of any plaintiffs;

For information of the Bureau, captioned suit
apparently is an outgrowth of an investigation conducted
by the Cook County Grand Jury during the past year into
local police spying on a number of community organizations
in the Chicago area; and a civil suit filed against Chicago
city officials in November, 1974, by the American Civil

The November suit does not include federal officers
among the defendants but seeks \$400,000 in damages and a
court injunction ordering the Chicago Police Intelligence
Unit to end the subversive activities.

Although the plaintiffs in captioned suit attempt
to be specific by including every imaginable type of
intelligence gathering technique, their allegations of
"Unlawful governmental intrusions" are extremely general and

In plaintiffs complaint paragraph 10-15, plaintiffs [redacted] [redacted] People United to Save Humanity (PUSH) and RALPH H. This allegation specifically and all others contained in the complaint should be answered with a general denial.

On 12/8/75, a review of the docket no. 75 C 3295, Chicago District Court, disclosed that on 11/20/75 Judge JOEL M. FLAUM disqualified himself from captioned case due to his recent service as an AUSA with the Department of Justice. On 11/21/75 the case was reassigned to Judge ALFRED Y. KIRKLAND.

Dear Mr. Metcalfe:

This will acknowledge receipt of your letter dated December 1, 1972, wherein you furnished information regarding a \$200 loss to a [REDACTED], Chicago, Illinois.

b6
b7C

Please be advised, after a thorough review of the facts in her letter, that it does not appear that there is a violation of the Federal Statutes governing fraudulent checks. In order to constitute a violation within the investigative jurisdiction of the Federal Bureau of Investigation there must be interstate transportation of a fraudulent instrument, namely, a check. It appears that in this instance the fraudulent activity took place in the State of Illinois.

There is a possibility, however, of a violation of the Postal Statutes since theft from the mails may be involved. I have, therefore, taken the liberty of forwarding the information concerning this matter to the United States Postal Inspector's Office at Chicago for their investigation.

Honorable Ralph Metcalfe

Dear Sir:

It has been my recent unfortunate experience to have found one of our Chicago banks, South Shore National Bank, 7054 South Jeffery Boulevard, not only incompetent, but likewise inefficient. As a previous employee in the business world and presently a teach of business courses at Tuley, I have never found nor thought I would experience anything so against the American dream of justice.

The facts are:

I purchased a check in the amount of \$200.00 from my bank, Home Federal Savings and Loan, made it payable to myself, wrote a restrictive endorsement. (For Deposit Only) on the back and placed my name and account number, filled out a deposit slip and mailed same to South Shore National Bank to be placed in my checking account.

The alleged facts are:

Someone stole checks from one [redacted] took one of her checks and made it payable to me in the amount of \$500.00, forged my name on the back and wrote my account number.

This person took this allegedly stolen check and my check to South Shore Bank after changing the deposit slip from \$200.00 which I had written, to \$700.00 (\$500.00 from the forged check and \$200.00 deposit). This person requested \$200.00 in cash which South Shore National Bank wrongfully honored. This person wrote my name when acknowledging receipt of the \$200.00. The forged stolen check was then deposited to my account.

Conclusion:

I believe that South Shore National Bank owes me \$200.00, since I had my deposit restrictively endorsed and knew nothing about the forgeries. They refuse payment saying all the signatures look alike--which to me only proves the person was a good forger.

I have exausted the legal avenues but my questions are:

How do I continue teaching students about the court's deciding cases on ther merits...

How do I go further with such a high cost for appeal which literally eliminates me--a single working woman...

May I have your advice and help on getting my \$200.00 back...

Sincerely,

Chicago, Illinois

AMERICAN CIVIL LIBERTIES UNION,
ET AL v. CITY OF CHICAGO, ET AL
(U.S.D.C., N.D. ILLINOIS)
CIVIL ACTION FILE
NO. 75 C 3295

Re: Ralph H. Metcalfe

The Chicago Office of the Federal Bureau of Investigation (FBI) has never conducted an investigation of Ralph H. Metcalfe, a U.S. Congressman, and has no main files on him.

However, Chicago files do disclose that regarding a case entitled, "Ralph Harold Metcalfe, Jr., Racial Matters," Ralph Metcalfe, Sr., on August 15, 1968, telephonically contacted the Chicago FBI Office and requested to be interviewed. On August 16, 1968, Metcalfe furnished information to Special Agents that [] a student at [] University, New York, New York, was a member of a group known as the Young Black Students Alliance in Chicago. Metcalfe was unable to provide any information about the group except to say that they were sympathetic with current Black racial feelings predominate among young Negro people. Metcalfe was concerned about [] and wanted to know if anything could be done concerning him.

b6
b7C

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

ACLU v. CITY OF CHICAGO

On August 20, 1968, Mrs. Metcalfe, Sr., appeared at the Chicago Office and she furnished substantially the same information concerning [] She requested that the FBI counsel him.

The information concerning the Metcalfes was furnished to FBI Headquarters, and no investigation was conducted.

Chicago files also indicate that on June 1, 1972, an extortion investigation entitled, "[] U.S. Congressman, Ralph H. Metcalfe - Victim" was opened. Metcalfe appeared at the Chicago FBI Office on June 1, 1972, with a copy of a threatening letter postmarked May 22, 1972, which he had received. The original letter had been turned over to the Chicago Police Department for investigation. The United States Attorney (USA), Chicago deferred prosecution to local authorities inasmuch as investigation had already been initiated by the Chicago Police Department. The case was closed in July, 1972.

b6
b7c

Chicago files also disclose that on January 27, 1975, a case was opened entitled, "Unknown Subject; Anonymous Female; Telephone Threat to Kill Congressman Ralph H. Metcalfe, Room 322, Canon House Office Building, Congressional Assassination Statute." This case resulted from a call made to the Chicago Police Department by an anonymous female alleging that Metcalfe would be killed on January 29, 1975, while speaking at the Capitol. It was later determined that the call was made by an individual known as [] on behalf of [] a Chicago psychic who had a vision of Metcalfe's killing. No investigation was conducted when it was determined that no threat had been made.

ACLU v. CITY OF CHICAGO

In addition, Chicago files disclose that a "Dead File" (non-investigative) entitled, "Newspaper Articles Concerning Investigations of Black Leaders in Chicago, Illinois, Extremist Matters," was opened on March 22, 1974. The file was opened as a result of a Chicago Tribune article March 21, 1974, entitled "Secret FBI File on Blacks Bared," which alleged that the FBI maintained secret files on Ralph Metcalfe, Jesse Jackson and Reverend Ralph Abernathy, Head of the Southern Christian Leadership Conference (SCLC).

The file contains newspaper articles dealing with the alleged secret files.

Chicago files also contain numerous references (not reviewed) to Metcalfe which pertain to instances where Metcalfe was named in connection with investigations of other individuals or organizations.

Metcalfe was never the target of any Counterintelligence Program activity, however, under the program he was one of a number of responsible Negro individuals who were to be recipients of information directed against the Black Panther Party (BPP). The New York Office of the FBI was to mail to these individuals a copy of an article appearing in the September 18, 1968, issue of the New York Daily News, vividly portraying the fear the BPP instills in the Negro community.

With regard to Metcalfe, the Chicago Office has not conducted any of the specific activities mentioned in Plaintiff's Complaint.

SANG YOUN WHANG, 8600 NW 41st Street, Miami, Florida, was advised of the nature and purpose of this inquiry and that any information furnished by him could be used in a court of law.

He said he is a graduate Electrical Engineer and described himself as an inventor. He said he invented the "Data-Phone" and other electrical devices manufactured and marketed by his company.

WHANG said he holds membership in the Spiritual Frontiers Fellowship, which is a scientific research group composed of scientists interested in the studies of phenomenon pertaining to Psychic Healing, Clairvoyance, Extra Sensory Perception, Emotional Behavior in Plant Life and other related psychic studies. He said sometime during the fall of 1974, he attended a company business meeting in the Chicago area, at which time he met [redacted] whom he considers foremost in the field of clairvoyants, and had a very interesting and productive scientific discussion with her for a period of about four hours.

He said [] related having had a vision about a week previous in which she saw a person, named RALPH METCALF, in a large room or auditorium, with about 10 or 12 other persons, on the night of January 29 or 30, 1975, at which time METCALF was attacked and killed by a black, male, who fired two shots, one of which struck METCALF in the head.

WHANG said [] related further that she was not acquainted with anyone by the name of METCALF until she saw a picture and story relating to Congressman METCALF in a Chicago newspaper on Sunday, January 26, 1975, at which time she realized that Congressman RALPH H. METCALF was the person she saw in her vision.

He said [] stated she was bringing this vision to his attention because she felt that because of his position as an established and responsible businessman and also because of his understanding and interest in psychic studies, it would perhaps lend more credibility to the vision if he, WHANG, would warn Congressman METCALF by bringing this matter to his attention.

On January 27, 1975, a call was made to the Chief of Detectives' Office, Chicago Police Department, Chicago, Illinois, wherein a female, who refused to furnish her name, alleged that Congressman Metcalfe "would be killed on January 29, 1975, while he is speaking at the Capitol". It was then determined that Congress would not be in session on January 29, 1975, nor did the Congressman have a speaking engagement on that date.

Subsequent investigation determined that this caller was a [redacted] who called on behalf of [redacted] a white female, date of birth [redacted] at Chicago, who resides at [redacted] Illinois. [redacted] is a psychic medium who had a vision of Congressman Metcalfe's killing.

Several other calls were made by other individuals with the Congressman's Chicago Office vouching for [redacted] authenticity as a psychic.

[redacted] was interviewed in her residence by Agents of the Federal Bureau of Investigation (FBI) on January 29, 1975, wherein she stated that she had had a vision wherein Congressman Metcalfe was speaking in an auditorium-like building with 10 or 12 men.
